Dear Fellow Marine,

The Metro Marines invite you to belong to our unique group. All honorably discharged, retired or currently serving Marines and Corpsman attached to FMF units are eligible. We have three platoons located in Champlin, Hastings and Forest Lake, Minnesota. If you like being with Marines and can tolerate an organization that's short on protocol but long on "Can Do" we would enjoy having you as a member. You can send your application and a check made out to the "Metro Marines" to the address noted above or if you would like to attend a Landing (meeting) prior to making your decision contact us for a date and time.
